MEMORANDUM FOR: Director of Strategic Research

SUBJECT : [ ] Request for Authorization  
to Lecture at the Canadian National  
Defence College

REFERENCE : Memorandum to the Director of Naval  
Intelligence from the Commandant of  
the Canadian National Defence  
College, dated 27 November 1974

1. [ ] and I have discussed the referenced  
request from the Commandant of the Canadian National  
Defence College. I have no objection in principle to  
[ ] giving a classified lecture on threat  
analysis to the College, but I reserve the right to  
review and, if necessary, to alter his lecture to  
protect intelligence sources and methods. [ ]  
concurs in this reservation and has agreed to make a  
copy of his lecture available for review in the near  
future.

2. With regard to [ ] employment,  
I believe that he should be clearly identified as an  
overt CIA employee to avoid possible embarrassment  
through "leaks" about his Agency affiliation.  
[ ] proposal to limit the number of those  
informed of his Agency employment was self-initiated.  
As far as he knows, the Canadians would have no  
objection whatsoever to having his Agency affiliation  
made generally known to the members and student  
body of the College.
